SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 47-06

TO: District Engineers **Date:** December 18, 2006
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Provision 360---007 (04), "Concrete Pavement"

The above referenced special provision has been approved for statewide use.

This special provision defines that waiving of tining can only be done on facilities with 45 mph or less posted speed. It also added a test to ensure texture of carpet drag when tining is waived. This special provision can be used at the district's option. This special provision replaces SP 360---004 beginning with the February 2007 letting. The use of this special provision prior to February 2007 letting is at the option of the district.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
