SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 51-05

TO: District Engineers **Date:** December 1, 2005
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Provision 247---011 (04), "Flexible Base"

The above referenced special provision has been approved for statewide use.

This special provision provides for having the ride quality of the base course measured. Ride quality will only be applied to the final travel lanes that receive a 1 or 2 course surface treatment for the final surface. This special provision can be used at the district's option.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
