# Special Provision to Special Specification 6002

## Video Imaging Vehicle Detection System

---

Special Specification 6002, "Video Imaging Vehicle Detection System," is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

**Article 5., "VIVDS Processor Unit"** is voided and replaced by the following:

The VIVDS processor unit will be provided by the Department.

**Article 6., "Camera Assembly"** is voided and replaced by the following:

The camera assembly will be provided by the Department.

**Article 12., "Warranty, Maintenance, and Support"** is voided and not replaced.

**Article 13., "Payment"** The first paragraph is voided and replace by the following:

The work performed, materials, and all accompanying software furnished in accordance with this Item and measured as provided under "Measurement" will be paid for at the unit price bid for "Install Department Furnished VIVDS Processor System," "Install Department Furnished VIVDS Camera Assembly," "VIVDS Central Control," "VIVDS Set-up System," "VIVDS Temporary," "VIVDS Communication Cable (Coaxial)," "VIVDS Communication Cable (Fiber Optic)," and "VIVDS Video Recording." These prices are full compensation for furnishing, placing, and testing all materials and equipment, and for all tools, labor, equipment, hardware, operational software packages, supplies, support, personnel training, shop drawings, documentation, and incidentals. A 3-conductor power cable must be included with the communication cable.
