
Special Provision to Item 6079

Automated Portable Smart Traffic Monitoring System

Item 6079, "Automated Portable Smart Traffic Monitoring System," of the Standard Specifications, is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 6079.4., "Payment". The first paragraph is voided and replaced by the following:

The work performed and materials furnished in accordance with this Item and as provided under "Measurement" will be paid for at the unit bid price for "Automated Portable Smart Traffic Monitoring System", of the type specified. This price will be full compensation for the use of all equipment, including labor to set-up, furnish, operate, relocate, or remove sign unit(s), replacement parts, maintenance, all related consumables, software, programming, and for incidentals necessary to complete the work.
