
Special Provision to Special Specification 6162

High Mast Lighting

Special Specification 6162, "High Mast Lighting," is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 5, "Payment," the second paragraph is supplemented by the following sentence:

New LED fixtures will be paid for under Item 614, "High Mast Illumination Assemblies."

Section 5.2., "Relocation," the paragraph is voided and replaced by the following:

This price is full compensation for salvaging, preparing, and relocating the existing conduit or duct cable; removing, disassembling, relocating, reinstalling, connecting, and testing high mast illumination assemblies; removing existing foundations; furnishing and installing new anchor bolts, connections, and conductors internal to the pole and assembly; replacing damaged components; disposing of unsalvageable material; and furnishing any other materials, labor, tools, equipment, and incidentals.
