
Special Provision to Special Specification 6163

Remove Existing Cables

Special Specification 6163, "Remove Existing Cables" is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 6163.2., "Work Methods." The last paragraph is voided and replaced by the following:

All cables removed, which the Engineer deems salvageable, and the removed fiber optic cables become property of the Department and will be transported to and stored at the Department's Signal Shop at 13301 Gateway Blvd West, El Paso, Texas. Contact (915) 790-4245 48 hr. before delivery.

Section 6163.2.1., "Removal, Handling, and Storage of Fiber Optic Cables." The first paragraph is voided.
