
Special Provision to Special Specification 6417

System Integration

Special Specification 6417, "System Integration," is amended with respect to the clauses cited below, and no other clauses or requirements of this Item are waived or changed hereby.

Article 1. DESCRIPTION is voided and replaced by the following:

Integrate all furnished equipment and software as shown on the plans, as detailed in this Special Specification, and as directed. This work includes furnishing, installing, and testing and integrating of all traffic management hardware and software into the existing Combined Transportation, Emergency & Communications Center (CTECC) system and CTECC traffic management center (TMC). The Contractor must select, install, and integrate the equipment and software as required to achieve a complete and fully operational traffic management system (TMS) as shown on the plans, as detailed in this Special Specification, and as directed.

Article 2.2. System Integration. The first paragraph is voided and replaced by the following:

Provide an integrated system that encompasses the following:

- integration of proposed Closed-Circuit TV's (CCTV), Dynamic Message Sign (DMS), (radar vehicle sensing device) RVSD, Wrong Way Driver Detection System, and peripherals;
- integration of proposed and existing fiberoptic cable supporting ITS field equipment; and
- integration of all components into the Department TMC.

Article 4. PAYMENT is voided and replaced by the following:

The work performed and materials furnished in accordance with this Item and measured as provided under "Measurement" will be paid for at the unit price bid for "ITS System Integration." This price is full compensation for preparing, furnishing, and installing all materials, equipment, and incidentals necessary to provide an integrated system as directed by the Engineer. Items that are not specifically mentioned or addressed in this Specification but are necessary for a complete and operational system as described will be provided by the Contractor and will not be paid for directly, as they are considered incidental to this Item.
