
Special Provision to Special Specification 7049

Water Mains

Special Specification 7049 "Water Mains" is amended with respect to the clauses cited below. No other clauses or requirements of this item are waived or changed.

Section 4 "Measurement". The first twenty-seven paragraphs are voided and replaced by the following:

This Item will be measured by the lump sum for a complete system. A complete system is defined by a total system within a construction project.

Section 5 "Payment". The first twenty-seven paragraphs are voided and replaced by the following:

For "lump sum" measurement, the work performed and the materials furnished in accordance with this Item and measured as provided under "Measurement" will be paid for at the unit price bid for "Water Line Main Relocation". This price is full compensation for furnishing and installing all components necessary to construct water mains of the sizes, materials, and dimensions shown on the plans including pipe, joints, and connections to new existing pipes, casing, valves, fittings, fire hydrants, meters, blocking, etc.
