
Special Provision to Item 7121

Safety Rest Area Maintenance, Repair and Operation

Item 7121, "Safety Rest Area Maintenance, Repair and Operation" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 4.9 Personnel "On Site." The second paragraph is voided and replaced with the following:

Perform a criminal background check for all attendants and employees prior to "on-site" employment at the SRA. Do not employ anyone at the SRA whose criminal background poses a risk to persons or property at the SRA, taking into account the nature, seriousness, and date of the offense, the relevance of the crime in relation to the work to be performed, and any evidence of rehabilitation.
