
Special Provision to Item 000

Activation of Federal Contract Provisions

The following contract provisions are not applicable unless work performed under this contract is for emergency repair work associated with an emergency event:

- Form FHWA-1273,
- Wage Rate Schedule,
- SP000-003 Certification of Nondiscrimination in Employment,
- SP000-004 Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246),
- SP000-005 Standard Federal Equal Employment Opportunity Construction Contract Specifications,
- SP000-006 On-the-Job Training Program,
- SP000-241 Cargo Preference Act Requirements in Federal Aid Contracts,
- SP000-394 Disadvantaged Business Enterprise in Federal Aid Contracts,
- SP002-009 Instructions to Bidders, and
- Disclosure of Lobbying Activities.

At the time of activation of these Federal Contract Provisions, the contract will be amended to include the most current Department of Labor (DOL) prevailing wage rate schedule. The DOL prevailing wage rates will only apply to emergency repair work performed under this contract at the time Federal Contract Provisions are activated. The Disclosure of Lobbying Activities form included in the proposal must also be completed and submitted when Federal Contract Provisions are activated. Added bid items and existing items' unit prices used for emergency repair work will be negotiated with considerations for the effect of requiring prevailing wage rates. Upon completion of emergency repair work as determined by the Engineer, the Federal Contract Provisions will be deactivated and the original contract wage rates and existing bid items' unit prices will resume.

The Engineer will notify the Contractor in writing of the effective date for compliance with the above requirements.
