Special Provision to Item 3
Award and Execution of Contract

Item 3, "Award and Execution of Contract," of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Section 4.4.3., "Insurance," is supplemented by the following:

Comply with the additional insurance requirements and other conditions set forth herein.

The Contractor must obtain additional insurance coverage in the following types and amounts. Provide certification of the Commercial General Liability, Commercial Auto Insurance, and Workers Compensation policies to the Department and ONE Gas, Inc. (ONE Gas). The Contractor must furnish:

- a certificate of Commercial General Liability insurance with at least $4,000,000 per occurrence and $4,000,000 aggregate;
- Commercial Auto Insurance covering owned, hired, and non-owned vehicles with at least $1,000,000 combined single limit; and
- statutory Workers Compensation policy, including employer's liability limits of at least $1,000,000 in a form reasonably acceptable to ONE Gas. This policy must name ONE Gas and its divisions, subsidiaries, directors, employees, and agents as an additional insured (except Workers Compensation) thereunder, and thereafter, and must keep the insurance coverage in full force and effect.

Umbrella/Excess Liability may be used to supplement the permittee's and Contractor's policy limits to satisfy the limits required. If used to supplement, the Umbrella/Excess Liability coverage must be at least "follow form excess" of the required coverages. The certificate must provide for 30 days advance notice to the Department and ONE Gas in the event of cancellation of the insurance.

Do not work on the ONE Gas easement (on CSJ No. 0924-06-587) until the Department and ONE Gas have been provided the insurance certificates and original policies required.

In accordance with Section 4.4.3., "Insurance," the insurances must cover the work for the duration of the Contract and must remain in effect until final acceptance.
