Special Provision to Item 3
Award and Execution of Contract

Item 3, "Award and Execution of Contract," of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Section 4.4.3., "Insurance," is supplemented by the following.

For work within utility easements, obtain insurance in amounts according to the Contract that additionally name the utility entity and its divisions, subsidiaries, directors, employees, and agents as an additional insured (except Workers Compensation). The Workers Compensation policy must additionally include a waiver of subrogation endorsement in favor of the utility owner.

Do not work in the utility easement until the Department and utility owner have been provided the insurance certificates and standard policies required.

In accordance with this Section, the utility easement insurance must cover the work for the duration of the Contract work within the utility easement and must remain in effect until final acceptance of the work in the utility easement.
