Section 3.4.3., "Insurance," is supplemented by the following:

In accordance with this Section the insurances must cover the work for the duration of the Contract and must remain in effect until final acceptance.

Comply with the additional insurance requirements and other conditions set forth herein.

4.3.1. **City of Austin**. The Contractor must obtain additional insurance coverage in the following types and amounts. Provide certification of the Commercial General Liability, Business Automobile Insurance, and Workers Compensation and Umbrella or Excess Liability policies to the Department and the City of Austin. The Contractor must furnish:

- a certificate of Commercial General Liability insurance with at least $1,000,000 per occurrence and $4,000,000 general aggregate;
- business automobile insurance covering owned, hired, and non-owned vehicles with at least $1,000,000 combined single limit; and
- workers compensation policy, including employer's liability limits of at least $1,000,000 in a form acceptable to the City of Austin. This policy must name the City of Austin and its divisions, subsidiaries, directors, employees, and agents as additional insured thereunder, and thereafter, and must keep the insurance coverage in full force and effect.

Umbrella or Excess Liability may be used to supplement the permittees and Contractor's policy limits to satisfy the limits required. If used to supplement, the Umbrella or Excess Liability coverage must be at least "follow form excess" of the required coverages. The certificate must provide 30 days advance notice to the Department and the City of Austin in the event of cancellation of the insurance.
