
Special Provision to Item 6

Control of Materials

Item 6, "Control of Materials" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 6.10., "Hazardous Materials," is supplemented by the following between Station #208+00 and Station #223+00 for the SBFR (Southbound Frontage Road) for IH-35E:

10.5. Soil and Ground Water Management Plan. Comply with the Soil and Groundwater Management Plan (SGMP) document prepared by TRC Environmental Corporation for this Contract which can be viewed and downloaded at:

FTP Website Address: <ftp://ftp.dot.state.tx.us>

Login Name: WestDalAO-ro

Password: 123ABC

10.6. Site Health and Safety Plan. The work includes potential exposure to soil and groundwater contaminants. Prepare and follow a Site Health and Safety Plan (SHSP) that has been written in accordance with and in fulfillment of Occupational Safety and Health Administration (OSHA) regulations, and all other applicable laws, ordinances and regulations. The Contractor is solely responsible for their SHSP and compliance with its requirements in performing the work. A copy of the SHSP, including any revisions or changes, and any required documentation will be maintained on site and be available for review by the Engineer. Upon request, the SHSP including any revisions or changes and any required documentation will be provided to the Engineer.

Provide training in the SHSP to the Department as needed.

10.7. Measurement and Payment. Cost associated with the SGMP and SHSP will be paid for in accordance with Article 9.7., "Payment for Extra Work and Force Account Method." and supplemented with the following:

The prime Contractor will be paid for the administrative costs only when the extra work, ordered by the Engineer, is performed by a subcontractor or a collection of subcontractors. The payment for the administrative costs will not exceed five percent (5%) of the total subcontracted extra work.

Expenses to be included in these force account payments include but are not limited to: Environmental Specialist, soil and groundwater screening, handling, transportation, municipal wastes, soil and groundwater disposal, and items directly related to the SGMP and expenses not covered by any contract bid items.
