
Special Provision to Item 8 Prosecution and Progress

Item 8, "Prosecution and Progress," of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 8.1., "Prosecution of Work." The first sentence of the first paragraph is voided and replaced by the following:

Begin work 240 calendar days after the authorization date to begin work to obtain traffic signals. Do not begin work before or after this period unless authorized in writing by the Engineer. It is anticipated that this delay will not impede or delay the Contractor in construction of this project.
