
Special Provision to Item 9

Measurement and Payment

Item 9, "Measurement and Payment" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Section 9.7.1.4.3.1., "Contractor-Owned Equipment," is voided and replaced by the following:

- 7.1.4.3.1. **Contractor-Owned Equipment.** For Contractor-owned equipment
- Standby will be paid at 50% of the monthly Blue Book rate after the regional and age adjustment factors have been applied. Operating costs will not be allowed.
 - If an hourly rate is needed divide the monthly Blue Book rate by 176.
 - No more than 8 hr. of standby will be paid during a 24-hr. day period, nor more than 40 hr. per week.
 - Standby costs will not be allowed during periods when the equipment would have otherwise been idle.

Calculate the standby rate for contractor-owned equipment as follows:

Standby rate = FHWA hourly rate – operating costs x 50%.
