
Special Provision to Item 9 Measurement and Payment

Item 9, "Measurement and Payment," of the Standard Specifications, is hereby amended with respect to the clauses cited below, and no other clauses or requirements of this Item are waived or changed hereby.

Article 9.7., "Payment for Extra Work and Force Account Method," is supplemented by the following:

Force Accounts are established in the contract to pay for expenses associated with the abatement of asbestos containing materials detailed in a Special Provision to Item 6, "Control of Materials."

The prime Contractor will be paid for administrative costs in accordance with Article 9.7.1.5 only when the extra work, ordered by the Engineer, is performed by a subcontractor or a collection of subcontractors. The payment for the administrative costs will not exceed 5% of the total subcontracted extra work.

Expenses to be included in these force account payments are items directly related to the abatement, management, transportation, and disposal of asbestos containing materials, and expenses not covered by any contract bid items.
