
Special Provision to Item 009

Measurement and Payment

For this project, Item 009, "Measurement and Payment," of the Standard Specifications, is hereby amended with respect to the clauses cited below, and no other clauses or requirements of this Item are waived or changed hereby.

Article 9.7. Payment for Extra Work and Force Account Method is supplemented with the following:

A Force Account is established in the contract to pay for expenses associated with compliance to the Soil and Groundwater Management Plan (SGMP) detailed in a Special Provision to Item 6, Control of Materials.

The prime Contractor will be paid for administrative costs only when the extra work, ordered by the Engineer, is performed by a subcontractor or a collection of subcontractors. The payment for the administrative costs will not exceed five percent (5%) of the total subcontracted extra work.

Expenses to be included in these force account payments are soil and groundwater disposal; and items directly related to the SGMP and expenses not covered by any contract bid items.
