## Special Provision to Item 009

### Measurement and Payment

---

Item 009, "Measurement and Payment," of the Standard Specifications, is hereby amended with respect to the clauses cited below, and no other clauses or requirements of this Item are waived or changed hereby.

**Article 9.7., "Payment for Extra Work and Force Account Method,"** is supplemented with the following:

A force account is established in the Contract to pay for expenses associated with compliance with the Soil and Groundwater Management Plan (SGMP), detailed in Special Provision 006-020, Section 10.2., "Soil and Ground Water Management Plan."

Contractor will be paid for administrative costs when the extra work, ordered by the Engineer, is performed by a subcontractor or a collection of subcontractors. The payment for the administrative costs will not exceed 5% of the total subcontracted extra work.

Expenses to be included in these force account payments are soil, and groundwater disposal and items directly related to the (SGMP) and expenses not covered by any contract bid items.
