
Special Provision to Item 9 Measurement and Payment

Item 9, "Measurement and Payment," of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 9.7., "Payment for Extra Work and Force Account Method," is supplemented with the following:

A Force Account is established in the Contract to pay for expenses pertinent to compliance with the Soil and Groundwater Management Plan (SGMP) detailed in a Special Provision to Item 6, "Control of Materials."

The prime Contractor will be paid for administrative costs in accordance with Section Article 9.7.1.5, "Subcontracting," only when the extra work, ordered by the Engineer, is performed by a subcontractor or a collection of subcontractors. Expenses to be included in these Force Account payments include, but are not limited to, environmental specialist; soil and groundwater screening, handling, transportation, and disposal; and Items directly pertinent to the SGMP and expenses not covered by any contract bid Items.
