
Special Provision to Item 510

One-Way Traffic Control

Item 510, "One-Way Traffic Control" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Section 510.3.3., "Portable Traffic Signal Method," is voided and replaced by the following:

By the month, a single system will consist of the number of units defined in the plans and will be operated by a single controller set up and operational on the work site.
