
Special Provision to Item 680

Highway Traffic Signals

Item 680, "Highway Traffic Signals" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

Article 680.2. "Materials," The third, fourth, fifth, sixth and seventh paragraphs are voided and not replaced.

Article 680.5. "Payment," The first paragraph is voided and replaced by the following:

The work performed and materials furnished (with the exception of the traffic signal controller) in accordance with this Item and measured as provided under "Measurement" will be paid for at the unit price bid for "Installation of Highway Traffic Signals (Department Supplied Controller)" of the type (isolated, system, or flashing beacon) specified, or "Removing Traffic Signals."

- 5.1. Installation.** This price is full compensation for furnishing, installing and testing the completed installation, controller foundations, luminaires, signs mounted on signal equipment, damping plates, timber poles, mounting hardware and steel wire strand; preservation and replacement of damaged sod, shrubbery and trees; removal and replacement of curbs and walks; and materials, equipment, labor, tools, and incidentals. The Department will pay for electrical energy consumed by the traffic signal.
