# Special Provision to Item 680

## Highway Traffic Signals

---

Item 680, "Highway Traffic Signals" of the Standard Specifications is amended with respect to the clauses cited below. No other clauses or requirements of this Item are waived or changed.

**Article 680.1. "Description."** The first paragraph is voided and replaced by the following:

- **Installation.** Install highway traffic signals.
- **Upgrade.** Upgrade highway traffic signals.
- **Removal.** Remove, store, and salvage traffic signals.

**Article 680.4. "Measurement."** The first paragraph is voided and replaced by the following:

This Item will be measured as each traffic signal installed, removed or upgraded. A traffic signal is a signalized intersection controlled by a single traffic signal controller.

**Article 680.5. "Payment."** The first, second and third paragraphs are voided and replaced by the following:

The work performed and materials furnished in accordance with this Item and measured as provided under "Measurement" will be paid for at the unit price bid for "Installation of Highway Traffic Signals" of the type (isolated, system, upgrade or flashing beacon) specified, or "Removing Traffic Signals."
