
Special Specification 5017

Bat House

1. DESCRIPTION

Furnish and install bat houses onto a structure to provide safe, non-toxic roost and nursery colony habitats for bats.

2. MATERIALS

Provide assembled, pre-fabricated bat houses and all installation supports as shown on the plans.

3. CONSTRUCTION

Install bat houses in accordance with the details shown in the plans and as directed by the Engineer.

4. MEASUREMENT

This item will be measured by each installation of an individual bat house, either a large house or a small house.

5. PAYMENT

Work performed and materials furnished are measured as provided under "Measurement" and will be paid for at the unit bid price for a "Bat House" of the size specified. This price will be full compensation for furnishing and placing all materials and for all labor, tools, equipment and incidentals.
