
Special Specification 7265

Travel Information Center

1. DESCRIPTION

Furnish all materials, equipment, and labor allowances necessary for the repair and upgrade of the Travel Information Center main buildings, picnic arbors, benches, boardwalks, trash containers, Bar-B-Q grills and water, sewer and power utility connections as shown on the Plan Set and attached specifications.

2. MATERIALS AND CONSTRUCTION METHODS

All materials furnished and all construction methods utilized must be in accordance with the plans, details, and the attached specifications. Contractor is required to perform a Schedule of Values for work.

3. MEASUREMENT

This Item will be measured for completed work corresponding to the "Schedule of Values." To facilitate accurate partial payments, the lump sum dollar amount will be rounded to the nearest integer and this number will serve as the total number of unit times the unit price of one dollar.

4. PAYMENT

The work performed and materials furnished in accordance with this Item and measured as provided for under "Measurement" will be paid for at the unit price bid for "Travel Information Center." This price will be full compensation for equipment, labor, materials, tools and incidentals.
