

Special Specification 7269

Temporary Water Services

1. DESCRIPTION

Furnish and install temporary water services in conformance to the City of Fort Worth requirements and details shown on the plans or as directed.

2. MATERIALS

Furnish and install temporary water services in conformance to the City of Fort Worth requirements and details shown on the plans or as directed.

3. CONSTRUCTION

Protect all water mains, sewer lines, vaults, and appurtenances at all times during construction. Promptly repair, at no cost to the Department, any damage to the existing water or sewer system and any interruption to the services such as line stoppages or breakage caused by Contractor's operation.

3.1. Specifications.

3.1.1. Perform the work in such a manner consistent with current City of Fort Worth standards and specifications for Division 33 – Utilities Item 33 04 30 "Temporary Water Services."

3.1.2. Technical Specifications are included for this project by reference and can be viewed and downloaded from the City's website at <https://www.fortworthtexas.gov/departments/tw/development/contractors>.

3.2. Submittals.

3.2.1. Review, approve, and submit all shop drawings, product data, and samples required by the contract documents.

4. MEASUREMENT

Water main replacement items will be measured in accordance with Table 1.
