**TO:** District Engineers

**DATE:** May 14, 2013

**FROM:** Gregg A. Freeby, P.E.

**SUBJECT:** Roadway Slotted Drain Standard Drawing

---

The Roadway Slotted Drain standard drawing, SD, is withdrawn from the Bridge Standards web page and is replaced with the use of trench drains, beginning with the October 2013 letting.

In lieu of standards, details of the contractor's selected product will be shown on the manufacturer's shop drawings furnished to the Engineer.

For questions or comments concerning the use of trench drain, please contact Amy Ronnfeldt, P.E., at (512) 416-2328.
