

MEMO

November 25, 2014

To: District Engineers

From: Gregg A. Freeby, P.E.
Division Director, Bridge Division

Subject: Prestressed I-Beam Standard Drawings

The Prestressed I-Beam standard drawings are retired and withdrawn from the Bridge Standards webpage, and no longer recommended for new construction. Prestressed I-Girders should be used in their place.

If I-Beams are being considered for special circumstances, contact the Bridge Division to discuss the circumstance and possible alternates.

For questions or comments concerning these standard drawings, please contact Amy E. Smith, P.E. at (512) 416-2261 or Jon T. Ries, at (512) 416-2191.
