Bridge Design Section Director, Bridge Division

Subject: Revised Miscellaneous Standard Drawing

Revised miscellaneous standard drawing, with a revision date of July 2020, is posted on the TxDOT web site and available for immediate use. The **Bridge Sidewalk Expansion Joint Cover Plate (BS-EJCP) standard** was revised to reduce the distance between the cover plate and the edge of the rail and sidewalk.

This revised standard drawing applies to construction projects beginning with the January 2021 letting. Prior use is encouraged and at the option of each District.

This and other bridge standard drawings are available on the Bridge Standards web page (<http://www.dot.state.tx.us/business/standardplanfiles.htm>) in MicroStation® “dgn” and Adobe® Acrobat® “pdf” formats.

For questions or comments concerning this standard drawing, please contact Taya A. Retterer, P.E. at 512/416-2719.
