Director, Maintenance Division

Subject: 2015 Mailbox Standards; 2015 Tree and Brush Removal Standards

The Maintenance Division has revised the TxDOT Mailbox Standards and the TxDOT Tree and Brush Removal Standards. These revisions highlighted in the attached drawings are listed below.

Mailbox Mounting and Spacing Standards:

MB15 (1) replaces MB14 (1).

Sheet 1 of 4: Added additional newspaper receptacle for multiple mailbox mount.

Tree and Brush Removal Standards:

Revised Table 1: Tree Trunk Size for Tree Removal Payment to reflect the 2014 Standard Specifications for Construction and Maintenance of Highways, Streets, and Bridges bid codes.

These standards, which are available for immediate use on all construction and maintenance projects as required, have been published at the following site:
