A new standard sheet PM(AP)-21 has been developed to meet ADA and TAS Standards.

PM(AP)-21

- Details show that the words "NO PARKING" be painted on the access aisle adjacent to the parking space.
- Signing is shown on the sheet identifying the consequences of parking illegally in a paved accessible parking space.

The standard sheets may be used immediately and shall be used for all applicable PS&E sets beginning with the January 2022 letting. The new sheets are available in MicroStation® "dgn" and Adobe® "pdf" formats at the following address:
