---

The Traffic Operations Division has revised the Traffic Control Plan Mobile Herbicide Truck Operations, TCP(3-5)-15, standard sheet. This standard sheet is intended to replace the previous Traffic Control Plan for Herbicide Truck Operation which required an engineer's seal.

The revised standard sheet is available in MicroStation and PDF formats at the following web address:

<http://www.dot.state.tx.us/insdtdot/orgchart/cmd/cserve/standard/toc.htm>

This standard sheet should be used immediately for herbicide operations.
