Subject: Recessed Raised Pavement Markers Standard Sheet, RRPM-24

The Traffic Safety Division has developed the Recessed Raised Pavement Markers Standard Sheet, RRPM-24. This standard sheet provides details for recessing the standard raised pavement markers in areas where snow plows or similar equipment are in regular use.

This new standard sheet may be used immediately for all applicable PS&E sets and is available in MicroStation® "dgn" and PDF formats at the following address:

<http://www.txdot.gov/insdot/orgchart/cmd/cserve/standard/toc.htm>

If you have any questions, please contact Rafael Riojas at (512) 416-3120 or me at (512) 416-3200.
