

# MEMORANDUM

**TO:** Charles H. Berry, P.E.  
David Casteel, P.E.  
Mario Jorge, P.E.

**DATE:** February 1, 2006

**FROM:** Carlos A. Lopez, P.E.

**SUBJECT:** Standard Sheets  
ISSC-06, ISSD-06 and ISSU-06

---

After extensive discussions between the Traffic Operations Division, the Federal Highway Administration, the American Association of State Highway and Transportation Officials, the U.S. Border Patrol of the U.S. Department of Homeland Security and your districts, the attached standard sheets (ISSC-06, ISSD-06 and ISSU-06) were developed. These approved standard sheets cover details for traffic control devices at Border Patrol Inspection Stations on Texas roadways. The standard sheets include guidelines for 2-lane roadways, 4-lane divided roadways and 4-lane undivided roadways. These new standards sheets are available at the following web address:

<http://www.dot.state.tx.us/insdtdot/orgchart/cmd/cserve/standard/toc.htm>

Please coordinate with the appropriate Border Patrol Sectors for your district to implement these standards.

If you have any questions or comments concerning the subject standard sheets, please contact Michael A. Chacon at (512) 416-3182 or me at (512) 416-3200.
