

Memorandum

TO: All District Engineers

Date: June 21, 2002

FROM: Carlos A. Lopez, P.E.

SUBJECT: Standard Sheet – RID (5) – 2002

Standard sheet RID (5) – 2002 covers details for the new induction fluorescent underpass light fixtures. This is now an official standard sheet and is available on the TxDOT web site. Use of this standard may begin immediately.

If you have any questions, please contact Karl Burkett of the Traffic Operations Division at (512) 416-3121 or me at (512) 416-3200.
