

Prefabricated Pedestrian Steel Truss Bridge Spans Fabrication Plants

Material Producer List

Materials and Tests Division – Prefabricated Structural Materials Section

Prefabricated Pedestrian Steel Truss Bridge Span Fabrication Plants

Reference

Refer to the following for specification information

- Special Specifications 4000, 4123, and 4174 “Prefabricated Pedestrian Steel Truss Bridge Span”

General

The Department reserves the right to conduct random sampling and testing and visual inspections of materials from approved steel fabricators. Department representatives may sample and inspect material at the fabrication shop or the project site. The Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with the specifications.

For more information, contact MTD’s Prefabricated Structural Materials Section at (512) 506-5924.

Fabrication Plants

The following fabricators of pedestrian steel truss bridge spans have submitted the required documentation referenced in Special Specifications SS4000, SS4123, and SS4174 “Prefabricated Pedestrian Steel Truss Bridge Span” to fabricate these structures.

Producer Code	Fabricator	Location
98277	Anderson Bridges, LLC	Colfax, WI
98181	Bailey Bridges, Inc. (dba Pioneer Bridges)	Fort Payne, AL
98344	Cameron Bridge Works, LLC	Elmira, NY
98026	Contech Engineered Solutions, LLC (formerly Big R Bridge)	Greely, CO
98367	Contech Engineered Solutions, LLC (formerly Big R Bridge)	Abingdon, VA
99994	Contech Engineered Solutions, LLC (formerly Contech Bridge Solutions, Inc.)	Alexandria, MN
99326	Contech Engineered Solutions, LLC (formerly Contech Bridge Solutions, Inc.)	Fort Payne, AL
99691	U.S. Bridge	Cambridge, OH
99026	Wheeler Lumber, LLC	Shakopee, MN
