

# Paint, Silicone Resin

---

## Material Producer List

Materials & Tests Division

## Paint, Silicon Resin

The following list of products and manufacturers meet the requirements of DMS-8141, "Paint, Silicone Resin for Concrete."

The Department reserves the right to conduct random sampling and testing of pre-qualified materials to verify performance and Specification compliance and to perform random audits of documentation. Department representatives will select random samples from materials submitted to the Department on contracts or direct State purchase orders. Tex-736-I describes the sampling procedure. Failure to comply with the requirements of this Specification may be cause for removal from the MPL.

For more information, contact the [Materials and Tests Division's](#) Coatings and Traffic Materials Section at (512) 506-5870.
