

# Detectable Warning Material

---

## Material Producer List

Design Division – Landscape Design Section

## Detectable Warning Material

The following detectable warning materials have been qualified according to a placement test as outlined in DMS-4350, “Detectable Warning Material.”

The Department reserves the right to reevaluate the initial material installation and any subsequent field installations to ensure a continued level of acceptable performance. Failure of materials to comply with the requirements of the applicable specifications may be cause for removal from this list.

For more information, contact the Design Division’s Landscape Design Section at (512) 416-2714.

<b>Surface Applied</b>		
<b>Product</b>	<b>Company</b>	<b>Contact</b>
Armor Tile Surface Applied Tile (vitrified polymer composite)	Engineered Plastics, Inc. Williamsville, NY <a href="http://www.armor-tile.com/">http://www.armor-tile.com/</a>	<a href="mailto:sales@engplastics.com">sales@engplastics.com</a> <a href="mailto:info@engplastics.com">info@engplastics.com</a> Ph: 800-682-2525
