

**SH 183 Managed Lanes Project
RFQ Q & A MATRIX #4**

(July 17, 2013)

No.	Document	Section and Page	Question/Comment	Response
1	RFQ	Part A, Section 3.3	The previous addendum, #4, had a date for when the Shortlist would be announced. When does TxDOT anticipate that the shortlist will be announced? Also, will the industry review and the date to begin work on the RFP be concurrent?	Part A, Section 3.3 of Addendum No. 6, dated July 9, 2013, indicates that TxDOT anticipates announcing the shortlist on August 29, 21023. The anticipation is that TxDOT will be issuing the RFP for industry review on August 30, 2013. Industry review is anticipated to run concurrently with the Proposers' work on preparing a proposal.
2	RFQ	Part A, Section 5.3.1 (b) (i). Part B, Volume 2 Section 3	The RFQ calls for the Developer's Project Manager and the Superintendent for Lead Contractor as identified Key Personnel. This requirement anticipates two separate entities; the Developer and the Lead Contractor. For clarity we request that the role of the Project Manager for the Lead Contractor also be a Key Personnel position to ensure stability and transparency in the 'chain of command' as referenced in RFQ Part B Volume 2 Section 3.	The Superintendent of Lead Contractor serves a function similar to Project Manager of Lead Contractor. At this stage, TxDOT does not find it necessary to include a project manager of Lead Contractor in addition to Superintendent.
