**Interstate 10 (I-10) Operational Improvements
From Viscount Boulevard to FM 659 (Zaragoza Road)
El Paso County, Texas
CSJ: 2121-03-151**

The Texas Department of Transportation (TxDOT) El Paso District will conduct a Public Meeting for the proposed I-10 improvement project on:

**Wednesday, October 3, 2012
6:00 p.m. to 8:00 p.m.
Del Valle Elementary School
9251 Escobar Drive, El Paso TX 79907**

The public meeting will be conducted in an open-house format. Those wishing to attend are encouraged to do so at their convenience between the hours of 6:00 p.m. and 8:00 p.m. Maps of the project area and other displays will be available for review and comment. TxDOT staff will be available to answer questions. All materials will be presented in English and Spanish. No formal presentation will be given. Parking will be available in the school parking lot.

The purpose of the meeting is to provide information about the proposed project and gather input from the public. The proposed I-10 project would include adding one additional mainlane in each direction by reducing lane widths and reducing shoulders. Auxiliary lanes are proposed for the weaving segments in both directions between the exit and entrance ramps at Yarbrough Drive and Lomaland Drive. All of the currently proposed work would occur within the existing I-10 right-of-way and would not result in any residential or commercial displacements.

Persons interested in attending the Public Meeting that have special communication or accommodation needs are encouraged to contact the TxDOT El Paso District Public Information Office, Blanca Del Valle, at (915) 790-4200 at least two working days before the meeting. TxDOT will make all reasonable efforts to accommodate other special needs as requested.

Written comments may be mailed to the following address: **Blanton & Associates, Attn: I-10 Operational Improvements, 5 Lakeway Centre Court, Suite 200, Austin, TX 78734**.
