

Open-House Style Public Meeting Statewide Long-Range Transportation Plan 2035

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will host two series of open-house style public meetings for the development of the Statewide Long-Range Transportation Plan. This plan will establish a framework for addressing the challenges of our aging infrastructure, urban densification, and a growing population through 2035. The plan will also address the need for improvements to all modes of transportation including roadways, pedestrian and bicycle facilities, transit, freight rail, passenger rail, airports, water ports, pipelines, and Intelligent Transportation Systems.

The purpose of this first series of meetings is to present an overview of the project and to solicit comments and input to aid in the development of the plan. Information will be available for viewing at the meetings including exhibits and videos about the planning process. Representatives from TxDOT will be in attendance to discuss the development of the plan and answer questions. Forms will be provided for submitting written comments.

The open-house style public meeting in this area will be held on May 6, 2010, from 4:00 p.m. to 7:00 pm at:

**The TxDOT, Fort Worth District Regional Training Center
2501 SW Loop 820
Fort Worth, Texas 76133**
