

NOTICE OF PUBLIC HEARING

FM 1187 (Rendon Crowley Road)

From 920 feet east of Interstate Highway 35W to 1060 feet east of Oak Grove Road South

The Texas Department of Transportation (TxDOT), in conjunction with the City of Fort Worth, will conduct a public hearing on Tuesday, March 8, 2011, at Ann Brock Elementary School Cafeteria, 12000 Oak Grove Road South, Burleson, Texas, 76028. The purpose of the hearing is to present the planned improvements on FM 1187 (Rendon Crowley Road) in the city of Fort Worth and Tarrant County, Texas. The improvements extend from 920 feet east of Interstate Highway 35W to 1060 feet east of Oak Grove Road South. Displays will be available for viewing at 6:30 P.M. with the formal hearing commencing at 7:00 P.M.

The existing facility consists of a 12 foot wide travel lane in each direction with 8 foot outside shoulders and open drainage ditches. The existing right-of-way (ROW) width varies from 100-120 feet.

The proposed facility will provide two 11 foot wide travel lanes in each direction, 4 foot outside shoulders and open drainage ditches. Additionally, left turn lanes are provided at select locations. The proposed improvements require no additional ROW or easements. The proposed typical ROW is 100-120 feet. No relocations are needed for the proposed project. A portion of the project is within Zone A floodplain. Zone A is a 100-year floodplain boundary. The proposed project would not increase the base flood elevation to a level that would violate the applicable floodplain regulations or ordinances.

Maps and other drawings depicting the proposed improvements will be on display at the public hearing. A tentative construction schedule can be obtained at the District Office; address shown below. In addition, the plan layout, the environmental document and other pertinent information about the proposed project are on file and available for inspection at the following location:

TxDOT Fort Worth District Office – 2501 SW Loop 820, Fort Worth, Texas 76133; Telephone – (817) 370-6549, Donna Fowler

All interested citizens are invited to attend this public hearing. Verbal and written comments from the public regarding this project are requested. Written comments may be submitted either in person or by mail to Maribel Chavez, P.E., District Engineer, 2501 SW Loop 820, P.O. Box 6868 Fort Worth, Texas 76115. Comments must be received on or before Friday, March 18, 2011 in order to become part of the official hearing record.

Persons interested in attending the hearing who have special communication or accommodation needs are encouraged to contact Tanya Fitzgerald, at TxDOT (817) 370-6610. Requests should be made at least 48 hours prior to the public hearing. Because the Public Hearing will be conducted in English, requests for language interpreters should also be made at least three working days prior to the Public Hearing. Every reasonable effort will be made to accommodate these needs.
