

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct public meetings regarding proposed improvements to SH 6/FM 1960 from IH 10 to SH 249. The purpose of the meeting is to gather public input on the proposed construction of raised medians along SH 6/FM 1960 from IH 10 to SH 249. The project improvements are proposed to meet current safety standards. No additional right-of-way would be required for the proposed project, and no displacements would be necessary.

Due to the length of the project, approximately 15 miles, two public meetings will be held at two different locations. The same information will be presented at both meetings. The first meeting will be held on **Tuesday, May 29, 2012, at Campbell Middle School**, which is located at 11415 Bobcat Road in Houston, Texas 77064. The second meeting will be held on **Thursday, May 31, 2012, at Kahla Middle School**, which is located at 16212 West Little York in Houston, Texas 77084. Both meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

Exhibits showing aerial photography and schematic plans of the proposed project will be displayed at the meeting. Representatives from TxDOT and their study team will be available to answer individual questions. Public comments are encouraged. The schematic plan showing the proposed design is on file and available for inspection at the TxDOT Houston District Office at 7600 Washington Avenue, Houston, Texas 77007. The TxDOT office is open Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact TxDOT's Public Information Office at 713-802-5072 at least two working days prior to the meeting. Since the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

All interested persons are invited to attend this public meeting. Written comments relative to the proposed project may be presented at the meeting or submitted to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, at any time on or before June 14, 2012. Comments may also be emailed on or before June 14, 2012 to HOU-PIOWebMail@txdot.gov.
