

TxDOT Precertification Process Equipment Type Codes - Attachment A

Code	Certification
100000	Environmental Testing Equipment
110000	Traffic Noise Modeling Software and Hardware
111000	Air Quality Modeling Software and Hardware
200000	Camera
210000	Measuring Tape
211000	Hard Hat & Vest
300000	Asphaltic Concrete
310000	Portland Cement Concrete
311000	Geophysical Surveys
312000	Drilling and Sampling
313000	Mechanical Analyses
314000	Plasticity Indices
315000	Soil Chemistry
316000	In-Situ Strength Tests
317000	Soil Density
318000	Pile Load Tests
319000	Laboratory Strength Tests
400000	Soil Exploration
410000	Soil Consolidation
411000	Soil Permeability
412000	Geotechnical Testing
413000	Support Equipment
414000	Boats and Skiffs
415000	Drill Rigs, etc.
500000	Transits
510000	Theodolites
511000	Levels
512000	Distance Measuring
513000	Alidades
514000	Fathometers

TxDOT Precertification Process Equipment Type Codes - Attachment A

Code	Certification
515000	Aerial Cameras and Sensors
516000	Coordinator graphs
517000	Steroplotters
518000	Lab Printers
519000	Lab Enlargers
520000	Other Scientific Instruments
521000	Support Equipment
522000	Boats and Skiffs
523000	Airplanes
524000	Survey Towers, Drill Rigs, etc.
525000	Terrestrial LiDAR Scanning Equipment
526000	Mobile LiDAR Scanning Equipment
527000	Airborne LiDAR Scanning Equipment
528000	Rotary Wing Aircraft
529000	Unmanned Aircraft System (UAS)
600000	Engineering Workstations with Geopak
610000	Engineering Workstations with Intergraph
611000	Other Engineering Workstations
612000	Engineering Workstations with Open Roads
999999	Miscellaneous
