

**Port Access Improvement Program
Rider 45 Projects**

Fiscal Year	Port	State Participation	Project Description
2018	Beaumont	\$ 5,087,464	Construct bridge on Carroll Street which will eliminate a at-grade rail crossing, improve access to the bulk and grain terminals, improve safety and reduce idle time.
2018	Harlingen	\$ 7,847,611	Replace HMAC roads (Port Road from Cemetery Road to FM 106, Cemetery Road from FM 106 to Port Road and the expansion of the intersection of FM 106 and Port Road with left turn lanes and deceleration lanes) and upgrade to concrete pavement. Install queuing areas that will remove waiting trucks along the shoulders of FM 106, Cemetery Road and Port Road.
2018	Palacios	\$ 1,283,355	Construct an extension of Richman Road to connect to SH 35.
2018	Port Arthur	\$ 834,554	Improvement of 4th Street crossing of the KCS rail tracks.
2018	Port Arthur	\$ 810,450	Improve Lakeshore Road and port entrance to develop turnaround for freight and passenger vehicles.
2018	Victoria	\$ 1,870,212	The project will widen McCoy Road to 44' with 1-12' travel lanes and 2-10' shoulders and will refurbish and widen Bayer Road 24' with limestone base and two course surface treatments.
2019	Brownsville	\$ 1,532,868	Construct direct connector roadway beginning at SH 4 to Ostos Road. Proposed two lane rural roadway with 14 foot lanes and 10 foot should to include two bridge structures. The approximate length of the project is 1.984 miles
2019	Calhoun	\$ 3,870,875	Rehabilitation of FM 1593 from 2.5 miles from Calhoun Port Authority to SH 35 and the addition of queuing lanes. FM 1593 provides direct access to Calhoun Port Authority.
2019	Corpus Christi	\$ 2,233,458	Intersection improvements along County Road 558 (Joe Fulton International Trade Corridor {JFITC}) at the entrance to Vulcan near JFITC terminus at IH 37, Bulk Terminal Road, Navigation Blvd, and Avenue F.
2019	Corpus Christi	\$ 1,931,108	Construct a dedicated 12-foot wide truck queuing lane and utilizing eight feet of the existing 10-foot eastbound shoulder for a buffer zone to separate traffic from a queued line of trucks.
2019	Houston	\$ 9,675,000	Phase 3 Expansion of Port Road; construction of 9,000 feet of new roadway and drainage improvements to expand the existing divided road from 4 to 6 lanes between SH 146 and Cruise Road.
2019	Palacios	\$ 756,700	Rehabilitate East and West Holsworth Road, Treacy Road, Friery Drive, 11th Street and Shipyard Road.
