

## PROJECT DESCRIPTION

- Construct 1.4 miles of 2<sup>nd</sup> main track & 200' bridge on TRE
- Improves commuter, Amtrak, freight operations in corridor
- \$14,379,286 total project costs
- \$7,189,643 FRA grant to TxDOT for project in 2009

## Status

- Implementation delayed by negotiations between TRE, UP, DGNO, ATK
- All agreements executed by August 3, 2016
- TRE reviewing contractor proposals to determine preferred bridge
- FRA must approval detailed project work plan before authorizing NTP
- RRD & TRE biweekly project conference calls

## Next Steps

- TRE determine preferred structure type & contactor
- TRE provide detailed work plan for FRA review
- FRA approval & NTP
