Attached is Addendum #2 to the Request for Qualifications (RFQ) that was issued on July 31, 2014.

This Addendum #2 amends the terms of the RFQ as set forth therein. The change consists of:

- The removal of design-build or design-build-maintain experience from the Lead Maintenance Firm.
- Clarification that the Proposer acts as the Design-Build Contractor and Maintenance Contractor of the Project.
- Clarification of Key Personnel requirements.
- Update of the Reference Information Documents (RID) list.
- Incorporation of accepted responses to received questions or requests for clarification.
- Various clarifications on formatting and QS submittal requirements.

The Texas Department of Transportation looks forward to receiving and reviewing your Qualification Statement and to working with the shortlisted proposers in the next phase of the procurement process.

Sincerely,
