Texas Statewide Long-Range Transportation Plan 2035

Transportation Use Questionnaire

1. Where do you live?

City or Town _____ County _____

2. Where do you work or go to school?

City or Town _____ County _____

3. How do you commute from home to work/school most of the time?

Mode of Transportation	Use
Personal car, truck, van, etc.	❍
Driven by another person in a personal car, truck, van, etc.	❍
Motorcycle or motorized scooter	❍
Public transit *(e.g., city bus, light rail, commuter rail, taxi)*	❍
Bicycle	❍
Walk (pedestrian)	❍
Ferry boats along Texas Gulf Coast	❍
Airplane	❍
Do not commute	❍

4. What other ways do you travel in Texas *(check all that apply)*?

	Daily	Weekly	Monthly	Seldom	Never Used
Personal car, truck, van, etc.	❍	❍	❍	❍	❍
Driven by another person in a personal car, truck, van, etc.	❍	❍	❍	❍	❍
Motorcycle or motorized scooter	❍	❍	❍	❍	❍
Public transit *(e.g., city bus, light rail, commuter rail, taxi)*	❍	❍	❍	❍	❍
Bicycle	❍	❍	❍	❍	❍
Walk (pedestrian)	❍	❍	❍	❍	❍
Train (Amtrak)	❍	❍	❍	❍	❍
Ferry boats along Texas Gulf Coast	❍	❍	❍	❍	❍
Bus between cities *(e.g., long distance, Greyhound, Kerrville, Tornado, etc.)*	❍	❍	❍	❍	❍
Airplane	❍	❍	❍	❍	❍

5. How do you rate the following as Texas transportation problems?

	Critical: Must Be Fixed	Very Important	Neutral	Not Important
Traffic congestion and delays	❍	❍	❍	❍
Potholes, crumbling roads and bridges	❍	❍	❍	❍
Pedestrian and/or bicycle safety	❍	❍	❍	❍
Limited public transportation service	❍	❍	❍	❍
Lack of alternative modes of travel *(other than passenger vehicles)*	❍	❍	❍	❍
Unsafe/narrow roads	❍	❍	❍	❍
Lack of travel options between cities	❍	❍	❍	❍

6. How would you rate these potential solutions for improving Texas roads?

	Critical: Must Be Fixed	Very Important	Neutral	Not Important
Add lanes to existing roads or freeways	❍	❍	❍	❍
Add shoulders to existing roads *(for safety and/or bicycles)*	❍	❍	❍	❍
Build more roads or freeways	❍	❍	❍	❍
Add turning lanes at intersections	❍	❍	❍	❍
Improve traffic signal timing	❍	❍	❍	❍
Improve pavement and bridges	❍	❍	❍	❍
Provide more bus service to reduce number of cars	❍	❍	❍	❍
Build more light/commuter rail lines to reduce the number of cars	❍	❍	❍	❍
Add new or widen existing sidewalks	❍	❍	❍	❍
Build more traffic-oriented (traffic signal) pedestrian crosswalks	❍	❍	❍	❍
Provide driver information systems *(e.g., changeable message signs, TV-traffic cameras, etc.)*	❍	❍	❍	❍
Build High Occupancy Vehicle (HOV)/ carpool/bus lanes	❍	❍	❍	❍

7. How would you rate these potential solutions for improving travel between Texas cities?

	Critical: Must Be Fixed	Very Important	Neutral	Not Important
Add shoulders on two-lane roads	❍	❍	❍	❍
Add passing lanes to rural roads	❍	❍	❍	❍
Keep trucks out of the left lane on Interstates	❍	❍	❍	❍
Build high speed rail lines between large cities	❍	❍	❍	❍
Expand airports and terminals	❍	❍	❍	❍
Improve bus service	❍	❍	❍	❍
Add lanes to Interstate highways	❍	❍	❍	❍
Add lanes to US highways, state highways, and farm-to-market roads	❍	❍	❍	❍
Improve movement of freight by:				
Truck	❍	❍	❍	❍
Rail	❍	❍	❍	❍
Ship/Barge	❍	❍	❍	❍
Air	❍	❍	❍	❍

8. How would you rate these potential solutions for improving public transportation (bus/rail) in Texas?

	Critical: Must Be Fixed	Very Important	Neutral	Not Important
Add new bus routes	❍	❍	❍	❍
Extend or re-route existing bus routes	❍	❍	❍	❍
Add light/commuter rail lines	❍	❍	❍	❍
Extend light/commuter rail lines	❍	❍	❍	❍
Reduce fares	❍	❍	❍	❍
Add more frequent service during evenings and weekends	❍	❍	❍	❍
Add more frequent service during weekday rush hours	❍	❍	❍	❍
Provide higher speed bus routes *(bus rapid transit)*	❍	❍	❍	❍
Improve passenger safety on buses or at bus/train stops	❍	❍	❍	❍

9. Please provide any additional comments you may have below.
