Funded Projects
- Proposition 12

Unfunded TRTP Projects
- Candidate Project
- Top 3 Ranked Projects Per District
- Top 3 Ranked New Locations Per District
- New Location
- Bridge/Interchange
- Forecast Capacity Needs
- Texas Trunk System Design Criteria Needs

- XXXX Project ID Number
- District
- MPO
- City
- County
- Water
- Interstate Highway
- US Highway
- State Highway
- RM/FM/RR

Unfunded - Project is not included in the 10-year funding plan, called the Unified Transportation Program (UTP).

Capacity-Added Project- Projects that will improve mobility and safety by providing:

- Additional travel lanes to existing roads or a new roadway
- Constructing frontage roads on rural interstates
- Upgrading 4-lane undivided highway to 4-lane divided highway
- Converting 2-way frontage roads to one-way operation
- Constructing or upgrading interchanges
- Adding two-way left-turn lanes over one mile in length
- Adding passing lanes every five miles to 2-lane highways (Super 2)

Project locations are approximate.
