Statewide Transportation Improvement Program

Public Hearing Notice - Unified Transportation Program

The Texas Department of Transportation (department) will hold a public hearing on Wednesday, August 15, 2012 at 10:00 a.m. at 200 East Riverside Drive, Room 1A-2, in Austin, Texas to receive public comments on the proposed updates to the 2012 Unified Transportation Program (UTP) and 2013 UTP and the 2013-2016 Statewide Transportation Improvement Program (STIP).

The UTP is a 10-year program that guides the development and authorizes construction of transportation projects and projects involving aviation, public transportation, and the state's waterways and coastal waters. The Texas Transportation Commission has adopted rules located in Title 43, Texas Administrative Code, Chapter 16, governing the planning and development of transportation projects, which include guidance regarding public involvement related to adoption of the UTP and approval of any updates to the program.

The STIP reflects the federally funded transportation projects in the FY 2013-2016 Transportation Improvement Programs (TIPs) for each Metropolitan Planning Organization (MPO) in the state. The STIP includes both state and federally funded projects for the nonattainment areas of Beaumont, Dallas-Fort Worth, El Paso, and Houston. The STIP also contains information on federally funded projects in rural areas that are not included in any MPO area, and other statewide programs as listed.

Title 23, United States Code, §134 and §135 require each designated MPO and the state, respectively, to develop a TIP and STIP as a condition to securing federal funds for transportation projects under Title 23 or the Federal Transit Act (49 USC §5301, et seq.). Section 134(j) requires an MPO to develop its TIP in cooperation with the state and affected public transit operators and to provide an opportunity for interested parties to participate in the development of the program. Section 135(g) requires the state to develop a STIP for all areas of the state in cooperation with the designated MPOs and, with respect to non-metropolitan areas, in consultation with affected local officials, and further requires an opportunity for participation by interested parties as well as approval by the Governor or the Governor's designee.

Information regarding the proposed updates to the 2012 UTP and the 2013 UTP will be available at each of the department's district offices, at the department's Transportation Planning and Programming Division offices located in Building 118, Second Floor, 118 East Riverside Drive, Austin, Texas, or (512) 486-5043, and on the department's website at: [http://www.txdot.gov/public\\_involvement/utp.htm](http://www.txdot.gov/public_involvement/utp.htm)
